

Standard Tariff

Message Charges

Messages charges apply per message part sent. A standard chargeable SMS single-part message (assuming only standard characters) contains 160 characters. Longer messages or messages which use extended or international characters will reduce the number of characters per chargeable message part and may generate a multi-part message – see www.pageone.co.uk/support/sms-message-formatting-and-charging. Pre-pay SMS Block message credits are valid for 12 months from date of purchase, whereupon unused credits shall expire.

Messages types will be charged as per the following:

Message type	Rate
Outbound SMS	1 x message
International SMS	2 x message
Inbound SMS	1 x message
PageOne pager or Responder app	Free*
Email	Free*

* Fair use policy applies per www.pageone.co.uk/fairuse-policy. Messages in excess of fair use limits will be charged as 1x message.
